

**NEWSCHANNEL NUMBER 238  
JANUARY 2005**

**Michael Bell Memorial Awards 2004**

Two nominations in category two were received and both were approved. The recipients were Mr. Michael O'Toole, Dublin, Ireland - nominated by the Knights of St. Columbanus and Mrs. Elizabeth Newbould and Mr. Martin Newbould R.I.P. Scunthorpe, England - nominated by the Knights of Saint Columba. Copies of the citations are available from the Secretary General.

**International Directory**

As announced in the December Newschannel the new Directory will go to print on February 1st. Any corrections or amendments should be sent to the Deputy International President, Frank Wightman, immediately.

**Tsunami**

All Member Orders have been giving their practical and prayerful support to all who have suffered in this terrible disaster. The Alliance has made a contribution to the International Aid Fund.

**Twenty-First Meeting of the International Council 2005**

Members are again advised that the next meeting of the International Council will be held in South Africa, hosted by the Knights of Da Gama. The arrangements are now in place and the programme is outlined in this newsletter. I trust members will find this updated notice useful in their planning and I suggest again that early enquires be made to ascertain any Visa requirements they may have.

The central theme of the meeting will be **Membership Development**. Each Member Order will be invited to make a presentation of work in this - our most important activity. In doing this it is hoped the presentations will be backed up with examples of promotional material and video and audio aids.

*Tony Rouse* KCSG Secretary General
