**NEW APPOINTMENT**

I am pleased to announce that Brother Billy Lee has been appointed Assistant Secretary for Pro-Life Affairs. He takes over from Brother Tony Carvahlo whom we thank for his services.

Brother Billy is a founder member of the Knights of St. Thomas More in Brussels. He has been a great supporter of the Alliance over the years, has a broad interest in pro-life affairs and hopes to bring a fresh outlook within the Alliance to this important subject.

I am sure all will join with me in wishing him well in his new position
